

HOMEPAGE

Headline: WakeCup offers some of the finest blends from only the finest and rigorously chosen plantations and estates from around the world. Our bouquet of coffee blends keeps changing as we traverse the world, looking for great coffee.

- **Unique Blends** - Get ready to be fascinated by outstanding blends from around the world
- **Classics** - Somethings never change, just like our classics. You won't get these elsewhere. They're special and close to our heart.

UNIQUE BLENDS

Headline: WakeCup takes pride in the estates and plantations that we work with. From the day of our inception, it has been our endeavour to reach out to the finest plantations from across the planet to bring you the finest blends. To that end, we source our beans from ecologically sustainable and responsible estates from around the world. Our collection is thus small but once you've tried our unique blends, you'll never go back.

WakeCup Arabica

Sourced from Lima Gold Coffee Plantations in Ethiopia, this Arabica has grapefruit and cashew flavours and is a medium roast. One of our bestsellers.

Available in 400gms packaging only

BUY | \$10.20

WakeCup Robusta

This is a blend of two types of beans that we source from Attaca Estate in Brazil and is bound to wake up your creativity. A strong blend, this is new in our collection.

Available in 400gms packaging only
