

Learn with us

Headline: The world is so much better when we share. That is why, right from inception, we've been on a mission to turn you into a professional grade barista. Our experts conduct workshops where we share our knowledge and insights with you on a regular basis. Check out our ongoing workshops and join us today.

Current Workshops

The Home Barista

Can't travel to our workshop? Learn from the comfort of your home by joining our innovative Home Barista workshops. When you sign up, you get your own coffee appreciation kit which you'll use along with the workshop.

Duration : 4 hours | \$250 | **Signup**

The Champion Series

Conducted once every year, our Champion series is a serious coffee aficionado's dream come true. Enthusiasts from across the country gather at our Seattle facility for 3 days of intense brewing to get ready for the Bean King Champion contest held at Montreal every year. This is not to be missed. And we've got the awards to prove it.

Duration : 3 days on-site | \$2000 | **Signup**
